

**LOCAL AGREEMENT – AIRPORT LEADING FIRE FIGHTERS**

**Enhancement for acting up to Watch Commanders**

**Background:**

Airport Management and representatives from the Leading Fire Fighters (LFFs) and Unite the Union have been in negotiation regarding the rate of pay applicable for the occasions when LFFs act up to Watch Commander. The current enhancement of 30% is applied to the basic rate of pay for an Airport Fire Fighter.

**Offer:**

The Airport Director of Isle of Man Airport is proposing to apply the 30% enhancement to the basic rate of pay for an Airport Leading Fire Fighter when acting up to a Watch Commander. The implementation date for this is 1<sup>st</sup> August 2011

This local agreement applies solely to Airport Leading Fire Fighters acting up as Watch Commanders, when required for operational reasons.
