

Scheme Rules

Manx Care has created an employee referral scheme for employees who recommend a candidate who is then appointed to a vacant position. The Manx Care Employee Referral Scheme applies to the recruitment of all full or part time positions. The scheme excludes recruitment of bank staff and agency staff. The payment is for £500 split into two payments. Further information on the scheme and how it operates can be found below.

Eligibility of Employees able to make referrals

The scheme is open to all employees to make referrals, subject to the following exceptions:

- Recruiting Managers or panel members will not be able to claim an ERS payment for a vacancy they are directly involved with

For a referral payment to be made, the person receiving the payment (the referrer) must remain employed by The Isle of Man Public Service during the entire referral payment period.

Bank/relief/supply workers are also eligible to make referrals, providing they have worked shifts in the previous twelve months to the referral.

Employees can claim for a maximum of five referrals in any two year period.

Candidates eligible to make a referral

To be referred a person must be a “new recruit”, i.e. they must not already be:

- an employee, a worker or subject to any other contract (e.g. bank, relief, supply, apprentice, temporary or other agency, locum)
- due to start another role within the Isle of Man Public Service in any capacity
- a student (current or completed within the last 12 months) on Isle of Man education programmes for the designated role, e.g. Isle of Man Nursing at the time of referral.

Details of the payment

Candidates can do this by selecting 'Isle of Man Public Service Employee Referral Scheme' in the 'Where did you hear about this vacancy' section of the application form and providing your name as the referrer." Only one employee can be documented as a referrer for any individual candidate. Giving notice of a referrer after application will not be accepted.

Once appointed the referrer should complete Section 1 of the Employee Referral Scheme Form and submit it to the manager of the candidate to complete Section 2 and submit to Payroll.

Payment will be made to the employee who has referred the candidate via payroll and will be subject to Tax and NI contributions. Payments are non-consolidated and do not contribute towards pension, holiday pay or any other enhancement.

The first payment of £250 will be paid to the referrer after the new starter has been in post for one calendar month in the next available pay run.

The second payment of £250 will be paid after the new starter has been in place for six months in the next available pay run.
