## Your uniform

Noble's Hospital | Authorisation for new staff uniforms

Because you will need a uniform in this role, our Laundry and Linen department needs to know the following details. Once completed, please contact the Sewing Room on 01624 651024 to arrange a time for your uniform to be fitted (note that they are open Monday to Thursday 8:00am to 3:30pm, and Friday 8:00am to 2:30pm). Make sure that you bring this form to the fitting, which will be at 'The Main Laundry', Noble's Hospital.
